

RAQUEL CABRERA

SENIOR MANAGER

Profile

Senior Manager of +VALUE, specialized in transfer pricing audit processes, as well as transfer pricing planning and prospective analysis.

Business Administrator from the Pontificia Universidad Católica del Perú, with postgraduate studies in Valuation of Investment Instruments at the Universidad del Pacífico and International Taxation at the Universidad Austral de Buenos Aires.

She has more than fifteen years of experience in Transfer Pricing, having developed her career mainly at Deloitte & Touche, the Peruvian tax administration (SUNAT) and PwC. In the private sector, she has advised major companies in compliance with the benefit test, transfer pricing audits and planning, prospective analysis, economic reports and compliance.

In the public sector she served as an official in the International Audits and Transfer Pricing Management Division of the SUNAT. Among her functions were the evaluation of transfer pricing risks in the main national taxpayers and providing technical assistance in transfer pricing audits. Additionally, she has participated in various courses and seminars given by the World Bank and the Organization for Economic Cooperation and Development (OECD).
